

Reynard

Disposable Medicine Cup

Disposable Medicine Cup (30ml)

Reynard Disposable Medicine Cups are made from re-cycled biodegradable paper.

They feature graduated lines on each cup so nursing staff can easily see the quantity being poured.

Dry medicines (pills) can be delivered to patients without having to handle the pills in your hands.

Convenience

Suitable for dispensing both liquid and dry medications.

Eco Friendly

Reynard Disposable Medicine Cups are made from re-cycled biodegradable paper.

Cost-effective

Reynard's Disposable Medicine Cups are cost competitive.

Ideal for use in:

- Hospitals—Wards
- Aged Care
- Private Hospitals
- Healthcare
