

# THE DEADLINE HAS BEEN SET! HAVE YOU MADE THE SWITCH?

Selecting the right dressing for  
your patients is now even easier!

## IT'S ALL IN THE '+'

The '+' indicates superior anti-biofilm efficacy thanks to the addition of the breakthrough **MORE THAN SILVER<sup>™</sup>** technology that will disrupt, destroy and prevent the reformation of biofilm.<sup>1</sup>

Specifically developed to win the battle against biofilm, **MORE THAN SILVER<sup>™</sup>** technology contains a combination of ionic silver, a surfactant and a metal chelating agent, which work together to deliver superior<sup>1,2</sup> anti-biofilm performance.

The absorbent **Hydrofiber<sup>®</sup> Technology** works together with **MORE THAN SILVER<sup>™</sup>** to absorb and remove wound exudate and disrupted EPS and bacteria, helping to manage wound moisture and support healing<sup>2</sup>

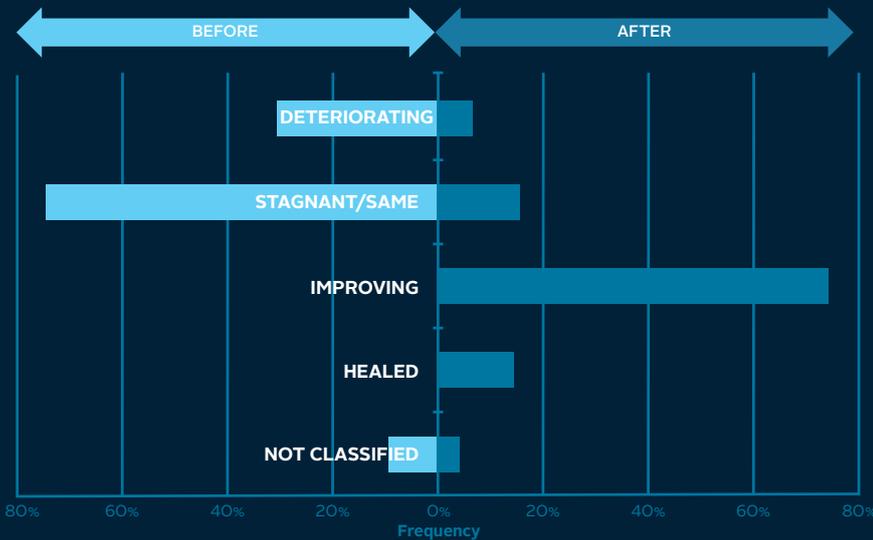

# AQUACEL® AG+ DRESSINGS ADVANCES HEALING IN STALLED, DETERIORATING, CHRONIC AND HARD-TO-HEAL WOUNDS.

A real life evaluation of 111 clinical cases across 60 centres in UK and Ireland on patients with non-healing wounds.<sup>3</sup>

+ = AQUACEL Ag+ Dressings

**54% of wounds** showed clinical signs of biofilm presence at baseline

**78% of wounds** healed or progressed to healing during an average evaluation period of 3.9 weeks

**99% of clinicians** would recommend the use of AQUACEL® Ag+ Extra™ dressings

## YOUR SMOOTH TRANSITION

Don't get caught out – your ConvaTec representative can help you upgrade early and ensure your ordering systems have the correct codes.

We trust this will make it easier to choose the right AQUACEL® Ag+ dressing for your patient's needs, but if you have any questions please do not hesitate to contact your local ConvaTec representative on: **0800 441 763**
