# LEUKOMED® T

## PROTECTION AGAINST BACTERIA AND VIRUSES.

**Leukomed® T** is a sterile, breathable, water, bacteria and virus proof transparent film dressing. It is designed for the fixation of primary dressings and protection of non-exuding wound sites. The transparent film dressings allow for the wound to be inspected without having to remove the dressing.

### EASY TO APPLY WITH UNIQUE RED TAB TECHNOLOGY

Allows for easy and precise application providing the right dressing placement

### STAYS IN PLACE FOR LONGER

Rounded edges reduces the occurrence of roll back and snagging to clothes and sheets, helping the dressing stay in place for longer

### COMFORTABLE AND CONFORMABLE TRANSPARENT FILM

Low profile film enables high wearing comfort for the patient.

### WATER, BACTERIA AND VIRUS PROOF

The waterproof barrier allows the patient to continue on with activities of daily living without the need for dressing changes saving on time and additional product costs

- Patients can shower without dressing changes
- Supports undisturbed wound healing

## ORDERING INFORMATION

Ref-No.	Size	Items per Unit
<b>Leukomed® T</b>		
72381-00	5 x 7.2 cm	50
72381-01	8 x 10 cm	50
