RHS 601 MULTI-PURPOSE CLOTHS

RHS 603 COLOURED CLEANING CLOTHS

These multi purpose wipes and coloured cleaning cloths are strong, large, absorbent and 100% biodegradable. They can be used in areas that require no residue to be left behind after cleaning and are ideal for hospitals, kitchens, supermarkets, industrial and residential sites.

The "pink" coloured cleaning cloths are easily distinguishable for designated zone cleaning

Directions: Use the required number of wipes to clean the surface. Dispose of used wipes properly; do not flush.
