

HOW CAN WE HELP YOU?

A complete medical product and service solution for the Primary Healthcare Market.

USL Medical are proudly New Zealand owned with over 30 years' experience working in partnership with our customers. Our goal is and always has been to add value to both your business and assist with achieving the best clinical outcomes for your patients.

WE WANT TO LET YOU GET ON WITH THE JOB OF LOOKING AFTER YOUR PATIENTS WHILE WE TAKE CARE OF THE REST.

COMPLETE PRODUCT RANGE

USL currently has inventory of over 8,000 items and with technology and innovation front-of-mind are also actively sourcing new and exciting products.

PERSONALISED ORDERING SYSTEMS

We work with you to get you set-up with the easiest ordering solution for your clinic. Whether it be online, by phone, fax or email, we will tailor your order form to further simplify this process for you.

INVENTORY MANAGEMENT SOLUTIONS

USL can manage your inventory requirements and eliminate unnecessary cost being tied up in redundant stock. We can count and manage stock levels and may also replenish and put away your stock, freeing up nursing time to focus on patient care. Any issues that may arise are also addressed in real time and on-site.

STORAGE SOLUTIONS

USL Medical has a range of options available to enhance and improve the storage in your clinics. Our focus is on providing an organised working environment for you and to provide a solution that reduces clutter, but also leads to streamlining and rationalisation of products. As a result, this reduces the risks and costs associated with inaccurate stock

holding.

CALIBRATION AND SERVICING OF EQUIPMENT

USL have the ability to provide on-site servicing and calibration of all your equipment. By choosing USL as your preferred supplier, you gain access to New Zealand's only authorised warranty repairer for Welch Allyn® equipment.

EDUCATION

USL Medical is aware of the commitment that healthcare professionals make to their patients every day. We take our responsibility as a service provider seriously and are available to provide training in the use of our products in alignment with Best Practice.

Educational support and workshops may include:

- Casting
- Wound Care
- Suturing
- Sterilisation and Infection Control
- Stock Management
- Web Ordering and Website Navigation

APPROVED PRODUCT LISTS

We can customise templates to set up approved ordering to promote standardisation. You have the ability to lock in an agreed list and any product outside of this will require a sign-off process as chosen by you.

BUSINESS ANALYSIS AND REPORTS

USL has powerful reporting systems which allow us to produce any report at your request. We can set these up to be automatically generated at any given time or when required. At a minimum, we provide reports that allow you to analyse spend, identify opportunities for savings and provide visibility of USL's performance.

FINANCE OPTIONS

We are open to working with our customers around finance options to ensure you have accessibility to the equipment required to enhance your practice. USL are happy to explore options around renting equipment, lease-to-own arrangements and deferred payment options.

QUALITY MANAGEMENT

By choosing USL Medical as your preferred supplier, you are working with an ISO accredited company. Continuous improvement is at the heart of what we do.
