

# Product datasheet

## G2 Duo

*The G2 Duo is the basis for welcoming your clients in a comfortable and safe manner. This treatment and examination couch can be moved fully downwards to chair height so that getting on or getting off has never been easier.*

*The long back section supports the sitting position, so that your client can be optimally involved in the treatment.*

### Standard features

- Two-section couch with adjustable back section
- Back section supported by gas spring
- Electric height adjustment with foot switch
- Cushions with 40 mm padding
- 15 cm clearance underneath frame for use with patient hoist (not compatible with 150 007)
- Non slip feet
- Cushions in a choice of 11 colours
