Specification Sheet

SK3400T/**

Description **Semi fitted top sheet with foot ease design**. No elastic. Made in Europe.

Style No.	Approx. Weight	Material Content
SK3400T/**	550 g	Plated Knit construction

**Please Note: All measures and weights are approximate, based on new dry product and may vary by plus/minus 5%*

Dimensions are as follows:

Length	260 cm
Width (flat)	150 cm
Depth	12 cm

Material Sleep-Knit Plus tubular plated knit construction 100% polyester.
Unique 2-way stretch in length and width. Weight: 150 g/sq m

Colours: White; Cream; Blue; Green; Peach Pink; Yellow

Construction Semi fitted design. Two contoured corners at the end of the sheet incorporate the "foot room" feature for special patient comfort and care. A foot cradle can easily be fitted under the sheet if required. Finished with a self hem. A 5 cm band at the top of the sheet provides a neat and professional finish.

Thread 100% polyester overlock thread finish in color of sheet. Rib knit binding provides secure, elasticized perimeter

Guarantee: All materials and findings used in the manufacture of this product are first quality only. Guaranteed against any defects in materials or workmanship. Performance and durability subject to use of our recommended care and laundering instructions.
