Why Aspire & Liko

ASPIRE Hoist

- Compact with a great lift height.
- SWL of 205kg – great for most patients
- Large back wheels for easy manoeuvring
- Tool free fold down for easy storage
- Emergency stop and lowering
- Cost effective lifting hoist and lifts from the floor

Liko Slings

- Long lasting quality – proven in the market for 20+years
- Used in most of the DHBs
- All have reinforced/padded legs for extra comfort
- Able to trial before purchase.

Liko Solo Slings

- Single patient use slings
- Designed for pandemic or outbreaks as can be disposed of easily
- Patients name can be written in large writing on the back – makes it easy to see who it belongs to
- Can be used for as long as it does not get soiled or wet.
- Ideal to keep in a pandemic or outbreak kit for emergencies
